Mr. Boyd Eifling
Nature's Broom
1147 Highway 436
Hollandale, Mississippi 38748

Dear Boyd:

The Department has reviewed the analytical data, submitted by Argus Analytical, Inc., and determined that Nature's Broom Absorbant is not a hazardous material and therefore is suitable for disposal in a municipal landfill. Also, when your product is mixed with liquid materials such as spilled (nonhazardous) motor oil, the combination will also be suitable for disposal in a municipal landfill.
